Event Overview and History

History and Community Impact:

The Pursuing My Dreams In MY Neighborhood JAMSFest is more than a concert — it is a movement and a legacy. Since its beginning in 1999, more than **394,244** young people, parents, caring adults, and community members from a four-state area have attended the Pursuing MY Dreams performing arts events.

This legacy continues by creating a platform for Kansas City’s emerging and aspiring artists to perform for the first time on the prestigious Kauffman Center stage, planting seeds of belief, belonging, and bold pursuit of their dreams.

Pursuing MY Dreams In MY Neighborhood JAMSFest – **Jamin’ with Artists Musicians and Singers** is a purpose-driven performing arts experience that celebrates emerging youth and young adults talent that inspires purpose, and unites communities through music, singers, positive hip-hop rappers, comedy, dance, spoken word, gospel and other artistic expression.
